The Vulcan Metals SP is a Cayman Islands Segregated Portfolio that engages in pure discretionary metals trading strategy managed by James Gallo, Ed Smith, and Anthony Cicileo. Utilizing a global network of information on mining, usage, historical movements, and need, as well as proprietary research, the methodology is exacting yet flexible enough to capitalize on daily market irregularities. Vulcan trades a variety of metals including copper, gold, silver, platinum, and palladium. Vulcan adapts to changing market conditions, the strategy employs intra-commodity spreads to target low volatility returns.
